

Global Controller (f/m/x)

Committed, dynamic and with a passion for precision, we revolutionise the world of measurement and survey.

As a team player, your vigor is contagious, and you engage your colleagues. No matter the task, you go ahead with an open mind. If loyalty as well as solidarity and reliability are a matter of course for you, join our team and make your visions come true!

This appeals to you

- Be the controlling partner for the senior management team
- Work with the operations teams in reviewing current and upcoming projects
- Participate in project reviews as necessary to ensure proper accounting treatment
- Provide support in M&A projects
- Provide leadership support of month-end close process with variance analysis and other financial input as needed/requested
- Maintain and analyze key financial and operational metrics to understand and evaluate business trends
- Prepare ad-hoc analyses and participate in other finance projects as needed
- Lead and mentor small F&C team
- Lead and support in various audits (tax, statutory, management and special audits)

This is you

- Master or Bachelor degree in Controlling, accounting or similar education having at least 5 years of experience
- Experience with IFRS

- Must have experience with consolidations in a multiple legal entity international environment, financial reporting, internal controls, resolving technical accounting issues, and transfer pricing management
- Experience with SAP knowledge (SAP ERP/BW)
- Ability to work both independently and collaborative, innovative, flexible, and adept at building relationships across the organization
- Driven and self-motivated to perform at the highest level in a start-up environment
- Excellent verbal and written communication skills in German and English
- Ability to organize, prioritize and manage commitments and meet deadlines in a fast-paced, dynamic environment
- Willingness to travel (approximately 20%)
